

NASSAU CONTAINER PORT

Port Tariff Amendment

TO: ALL CARRIERS, CARRIER AGENTS, NCP LICENSEES AND OPERATORS

FROM: APD LIMITED

DATE: 5 September 2024

SUBJECT: Tariff Amendment to increase the permitted size of vessel for Small Bahamian Shipping Companies

In an effort to improve customer service to Bahamian Customers, the Nassau Container Port announces an amendment to the size of vessels allowed under the Small Bahamian Shipping Companies agreement with an effective date of **September 5, 2024.**

A review of the Nassau Container Port Tariff version 1.6 was reviewed by management and an amendment was made to section III Abbreviations and Definitions that outlines the specifics for Small Bahamian Shipping Companies. Effective September 5th 2024, number 7 that states that Small Bahamian Shipping Companies should utilize vessels with specifications equal to or less than:-

- (i) 80 meters in length overall (LOA) ;
- (ii) 16 meters beam at the vessel's widest part ;
- (iii) 4.5 meters draft fully laden

Has been amended. In order to allow the small Bahamian shipping companies to compete in today's market, the tariff has been amended to permit the companies to operate larger vessels which should improve the companies services to its Bahamian customers.
