Condensed Notes to the Unaudited Interim Financial Statements June 30, 2025

1. General information

APD Limited (the Company) was incorporated on February 24, 2009, under the Companies Act, 1992 of the Commonwealth of The Bahamas (The Bahamas). The Company is 40% owned by The Treasurer of The Bahamas, 40% owned by Arawak Cay Port Development Holdings Limited (ACPDHL) and 20% owned by the general public, hereinafter collectively referred to as the Shareholders. ACPDHL is owned by a consortium of private companies operating in The Bahamas.

The Company is a public company, which was listed on the Bahamas International Securities Exchange effective April 11, 2012. The Company's registered office is located at Ocean Centre, Montagu Foreshore, East Bay Street, New Providence, The Bahamas.

On May 10, 2010, the Company and the Government of The Bahamas (the Government) entered into a Memorandum of Understanding (MOU), whereby the Government initiated the relocation of the freight, cargo and port handling activities from downtown Bay Street on the island of New Providence to Arawak Cay, New Providence, and the Company agreed to design, develop, construct, manage, operate and maintain a new commercial port at Arawak Cay to be known as Nassau Container Port (the Port) and an inland terminal on Gladstone Road, to be known as Gladstone Freight Terminal (the Depot) (Note 13).

In accordance with the MOU, 20% of the Company's ordinary shares were offered for sale to the general public through an Initial Public Offering (IPO) held in February 2012. At the conclusion of the IPO, the Government and ACPDHL each owned 40% and the general public owned 20% of the ordinary share capital of the Company.

The Port and Depot facilities were developed on 56.55 acres of land on Arawak Cay, New Providence (the Port Land) and 15 acres of land at Gladstone Road, New Providence (the Depot Land). On June 21, 2011, the Minister responsible for the Lands and Survey, acting on behalf of the Government leased the Port Land and Depot Land and licensed 27.88 acres of seabed for use of the Company for 45 years which became effective May 1, 2012 and August 13, 2012, respectively, when the Port and Depot facilities were substantially completed.

The Company commenced operations on the date of substantial completion of the Port facility on May 1, 2012. Operations of the Port include a break bulk, a bulk and a container terminal that has 1,167 linear feet of berthing. The container terminal will have the capability of handling at least 75,000 Twenty-foot Equivalent Units (TEUs) annually. The Depot is comprised of 100,000 square feet and 10,000 square feet of warehouse and administrative office space respectively, and serves as a deconsolidation and distribution centre.

These condensed interim financial statements have not been audited.

2. Basis of preparation

These unaudited interim financial statements for the twelve months ended June 30, 2025 have been prepared in accordance with International Accounting Standard (IAS) 34, 'Interim financial reporting'. The condensed interim financial information should be read in conjunction with the annual financial statements for the year ended June 30, 2024, which have been prepared in accordance with the International Financial Reporting Standards (IFRSs).

APD LIMITED**Condensed Notes to the Unaudited Interim Financial Statements
June 30, 2025****3. Accounting policies**

The accounting policies applied, methods of computation and presentation are consistent with those of the annual financial statements for the year ended June 30, 2024.

4. Estimates

The preparation of interim financial statements requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expense. Actual results may differ from these estimates.

In preparing these condensed financial statements, the significant judgments made by management in applying the Company's accounting policies and the key sources of estimation uncertainty were the same as those that applied to the financial statements for the year ended June 30, 2024.

5. Financial risk management**5.1 Financial risk factors**

The Company's activities expose it to a variety of financial risks: market risk, credit risk and liquidity risk.

These condensed financial statements do not include all the financial risk management information and disclosures required in the annual financial statements; they should be read in conjunction with the Company's annual financial statements as at June 30, 2024. There have been no changes in the Company's risk management policies since June 30, 2024.

5.2 Liquidity risk

Compared to year end there was no material change in the contractual undiscounted cash flows for the financial liabilities.

6. Seasonality of operations

Due to the nature of the Company's operations, seasonal trends are not applicable.
